UTKAL KUMAR SARANGI

UI/UX Designer | Mobile Application Designer | Figma Expert

+91-6372509065 | utkalsarangi@gmail.com | linkedin.com/in/utkal-sarangi-54289234a | Bhubaneswar, Odisha

PROFESSIONAL SUMMARY

Detail-oriented UI/UX Designer with hands-on experience designing end-to-end mobile applications for ERP, club management, and cold storage domains. Proficient in Figma, wireframing, prototyping, and delivering high-fidelity designs with a mobile-first approach. Skilled in collaborating with development teams for seamless design handoff. Holds a B.Tech in Computer Science and brings a strong foundation in user research, information architecture, and usability principles.

TECHNICAL SKILLS

Design Tools: Figma, Adobe Photoshop, Canva

Design Skills: Wireframing, Prototyping, High-Fidelity UI Design, User Research, Information Architecture, Mobile-First Design, Design Handoff

EXPERIENCE

Virtoy Technologies Pvt. Ltd. | UI/UX Designer | July 2025 – Present

School ERP Mobile Application

- Designed a complete School ERP mobile application from concept to final high-fidelity UI using Figma.
- Created a student dashboard providing quick access to attendance, fees, exams, timetable, and notifications.
- Developed the fees module UI covering fee structure, payment status (paid/unpaid), and online payment flow.
- Applied mobile-first and user-centric UI/UX principles to ensure intuitive student navigation.
- Delivered wireframes, prototypes, and high-fidelity screens ready for developer handoff.

College ERP Mobile Application

- Designed a comprehensive College ERP mobile application with student dashboard displaying attendance, fees, CGPA, notices, and academic status.
- Developed a fees management UI including fee structure, paid/unpaid status, and online payment flow.
- Ensured accessible, mobile-first UI tailored for engineering students.
- Collaborated closely with developers to support smooth design handoff and implementation.

Union Club Mobile Application

- Designed a Union Club mobile application to manage members, activities, and club operations.
- Created a member dashboard showing profile, membership status, announcements, and upcoming events.
- Developed payment and fee management screens for membership and event fees.
- Ensured mobile-first, accessible UI for club members; collaborated with developers on handoff.

Cold Store Mobile Application

- Designed a user-friendly mobile app for Cold Storage Management.
- Developed dashboard UI for inventory, temperature monitoring, and product management.
- Designed booking and storage management interfaces for both customers and admins.
- Incorporated real-time product tracking and warehouse management concepts with modern design principles.

EDUCATION

C V Raman Global University

B.Tech in Computer Science & Engineering | 2021 – 2025 | **CGPA: 7.02 / 10**

Saraswati Shishu Vidya Mandir, Tulsipur

Higher Secondary (+2) – Science | 2019 – 2021 | **83.33%**

Saraswati Shishu Vidya Mandir, Markatnagar

Secondary School Leaving Certificate (SSLC) | 2007 – 2019 | **81.33%**

CERTIFICATIONS

- Google Analytics Certification – June 2023
- Python Programming Certification – July 2023
- Java Programming Certification
- Web development Certification

ACHIEVEMENTS & ACTIVITIES

- Member of NCC (National Cadet Corps) – developed discipline, leadership, and teamwork.
- Completed internship in Embedded Systems with a focus on C programming.
